

Library eBooks for Kindle

What you will need to download the library's OverDrive eBooks for Kindle

- Valid Fairfax County library card
- Amazon.com account
- Kindle device (with Wi-Fi on or with a USB cable) or Kindle app
- Computer or Kindle Fire with Internet access

Searching for OverDrive eBooks for Kindle

1. On a computer or Kindle Fire, go to <http://www.fairfaxcounty.gov/library>.
2. Select **eBooks** under Find Books and More.
3. Select **Advanced Search** under the **Search** box.
4. Select **Kindle Book** in the **All Formats** box.
5. Search for an eBook. You may browse all Kindle books by selecting **Search** without entering additional parameters, or you may search for specific titles, authors or subjects.
6. If the book you would like is not available (the book icon in the upper-right corner of the book cover is light gray), select **Place a Hold**. (See other side for more information about holds).
7. If the **Kindle Book** you would like is available (the book icon in the upper-right corner of the book cover is dark gray), select the cover and then select **Borrow**. If not already signed in, enter your library card number and password when prompted.
8. Select **Download**, choose **Kindle Book** and select **Confirm and Download**.

Transferring an eBook to a Kindle

1. When you select **Confirm and Download**, the Amazon page "Get Your Public Library Loan" opens in a new window.
2. Select **Get Library Book**. Sign in to your Amazon account if prompted.
3. Select the device where you want to read the Kindle eBook and select **Continue**. If your device is connected to a Wi-Fi network, your eBook will download onto your Kindle device. If the title does not show up automatically, select **Sync and Check for Items** from the Kindle menu.
4. To read your eBook, look in the Home folder. If you have a Kindle Fire, your book will be in your Carousel.

Transferring an eBook via USB cable from PC, laptop or Mac

1. If you do not have a Wi-Fi connection or the book you checked out is published by Penguin, you will need to transfer your book via USB cable. After choosing the **Get Library Book** button, select “Transfer via computer” in the drop down box and select **Continue**.
2. On the next screen, choose the Kindle you will be using and select **Continue**. You may need to allow your browser to download the file.
3. When prompted to find or save the file, select **Save**, and save it somewhere easy to find such as your computer desktop.
4. Connect your Kindle device to your computer using the USB cable.
5. Open the Kindle drive on your computer.
6. With the Kindle drive open, find the eBook file you just saved. Copy and paste it or drag it into the Kindle **Documents** folder. If you have a Kindle Fire, copy and paste or drag it to the **Books** folder.
7. Safely eject your Kindle device from your computer and unplug the USB cable.
8. The book will appear in the Kindle’s Home folder or the Books tab for Kindle Fire users.

To return a book early

1. Sign in to your Amazon account.
2. Under **Your Account**, select **Manage Your Kindle**.
3. Select **Actions** next to the title you want to return and select **Return this book**.
4. When asked “Are you sure you want to return this Library Loan Ebook?” select **Yes**.

Holds

1. If the eBook you want to read has no copies currently available, then select **Place a Hold** to add your name to the waiting list.
2. If you are not signed in, you will be prompted to sign in by entering your **Fairfax County library card number** (14 digits, no spaces) and **password**, then selecting **Sign In**.
3. Enter and confirm your email address. Then select **Place a Hold**. You will get the message “You will receive an email when the title becomes available. You will then have 4 days to borrow the title.”
4. You may check the status of your holds at any time. On Fairfax County’s OverDrive site, sign in with your library card and password, then select **Account**.
5. Select **Holds** to see a list of eBooks you have on hold and your place on the holds list for each eBook. You may remove holds you no longer want by selecting **Remove** next to the title.

When your hold is available

You will receive an email from **LIBAccountServices@fairfaxcounty.gov**. If the title is not borrowed within 96 hours from the time of the email, the hold on this title will expire.

1. Select the link in the email to **Fairfax County Public Library website**.
2. If you are not signed in, sign in with your library card number and password.
3. Your **Bookshelf** is displayed. Select **Holds** (below **Bookshelf** in the right column) and find the available hold.
4. Click **Borrow**, click **Download**, select **Kindle Book** and click **Confirm and Download**. Follow the directions for transferring an eBook to a Kindle on the reverse side.

Optional: Kindle Fire users can download an app to access ePub eBooks and mp3 eAudiobooks. Please refer to the Overdrive Media Console app handout for detailed instructions.
