

# Library eBooks for Nooks

## What you will need to download the Library's OverDrive eBooks for Nooks

- Valid FCPL library card
- Adobe Digital Editions installed on your home computer: <http://www.adobe.com/products/digitaleditions/>
- An Adobe ID, which can be obtained when you first open Adobe Digital Editions

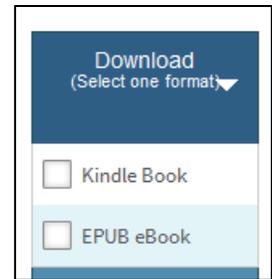

## Searching for and checking out eBooks

1. From Fairfax County Public Library's digital media catalog: <http://fairfax.lib.overdrive.com>, select **Sign In** located in the upper right corner, and enter library card number and password.
2. To search for titles compatible with a Nook, select **Advanced Search** in the upper right.
3. Select the drop down menu under **All Formats** to choose the specific format for your device.
4. The formats compatible with Nooks are EPUB eBook and PDF eBooks.
5. Once you've performed a search based on a specific format, the results page will show the cover for all matching titles in that format.
6. The icon on the top right of the book cover reflects the item's availability. A dark image of a book means the item is available; a lighter image means the item is checked out.
7. To request an item that is unavailable, click on the book and **Place a Hold** for that item. An email will be sent when it becomes available.
8. If you click on an item currently available, you can select **Borrow**.
9. Once Borrow is selected the item will be checked out and the graphic will change to **Go to Bookshelf**.

## Moving the eBook to your device

1. Click **Go to Bookshelf** or **Account** for a list of checked out items.
2. Select Download for the item you want delivered and choose the format compatible for your Nook (EPUB or PDF).
3. Then select **Confirm & Download**.
4. The file will attempt to download. Select **Open** and the eBook will then download to Adobe Digital Editions on your home computer.
5. If this is the first time using Adobe Digital Editions, you will have to authorize your device using your Adobe Digital ID. Select **Create an Adobe ID** if you do not have one.
6. The book you downloaded to Adobe Digital Editions will open in reading mode to the book's cover. Select **Library** in the upper left to get to the library view.
7. Plug in your Nook to your computer using a USB cable. Your Nook will appear in left column under **Devices**.
8. Click the cover of the book you want to transfer and drag it down to your Nook in the left corner.

**Authorize Your Computer**

Authorizing your computer enables you to:

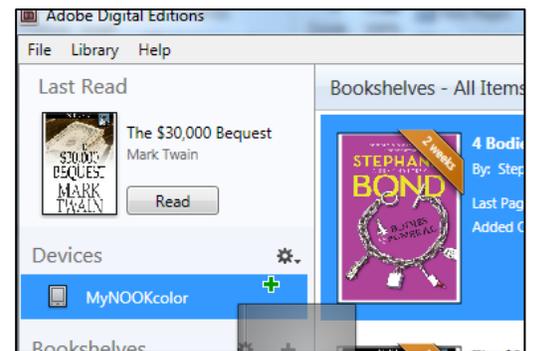

- Easily transfer Adobe DRM protected items between multiple computers and mobile
- Read Adobe DRM protected items on up to three computers and three mobile devices
- Restore your content from backup should you ever need to re-install the OS.

Select eBook vendor, then enter your login ID and password below

eBook Vendor:  [Create an Adobe ID](#)

Adobe ID:

Password:  [I forgot my password](#)

## To return your eBook early

From Adobe Digital Editions, right click on the cover of the book you wish to return and select **Return Borrowed Item**.

## Note

For internet enabled Nooks, you may use the OverDrive App to download eBooks. Download the App to your device, open OverDrive and select **Get Books**, add the Fairfax County Public Library, and browse the Digital Media Catalog without the need to define the specific format. OverDrive will allow you to check out the item once you've logged in with your library card and password, as per the steps above, and then read the title from within the OverDrive App.
